Disclaimer:

From time to time, FindAnExpertOnline will promote, endorse, or suggest products and/or services for sale that are not our own. Our recommendation is ALWAYS based on our personal belief that the product will provide excellent and valuable information, utility or service. Typically, it is something that we currently use, or have used in the past. Otherwise, it may be based on a review of that product, our personal or professional relationship with that person or company, and/or a previous positive experience with the person or company whose product we are recommending. In many cases, we will be compensated via a commission if you decide to purchase that product based on our recommendation (a strategic partnership/affiliate relationship).

IMPORTANT: Another recommendation- ALWAYS do your OWN due-diligence before making any purchases, whether we recommend them or not. Never purchase anything that you cannot afford. Avoid purchasing products that do not have a clearly-stated Money-Back Guarantee, or that promise unbelievable, unachievable results, such as "Get Rich Quick" or "lose 30 pounds in one week."
